

INTERIOR KITCHEN- DAY

A blonde, thin girl is washing the dishes sometimes looking out of the kitchen window. The sun is shining outside and she seems to be completely taken by what she's doing.

The clock strikes the hour when an unbearably bright, white light fills the window frame and the whole kitchen. The ground shakes with a roar

FOCUS ON THE GIRL'S EYES AND THEN ON OPEN MOUTH- THE SCENE
FADES

The bright light is over and on the ground outside, several human bodies and dead birds. A man is walking zombie-like towards his car, he starts smashing his head against the driver's door. Inside the kitchen sink a thick red fluid is dipping.

CAMERA MOVES UP TO GIRLS'S FACE

Jade Mullins is biting her wrist and sucking blood out of it. Her face tortured with pain, she can barely stop herself from doing that. She finally manages to stop, looks at the man smashing his head against the car's door and screams from the top of her lungs.
