

Sentient Africa – Ten questions from the Author Ebuka Okparauzoma
Please download the document and add you answers under the Qs.

- 1) What's fascinating about the Africa series setup?
- 2) Are the individual set-ups (supporting character scenarios) compelling?
- 3) Does each character have a unique and clearer goal pursuit?
- 4) What characters are at their lowest and need to be improved upon?
- 5) Is the overall pace effective?
- 6) Was the first intro to sentient well established?
- 7) What areas need improvement? Why? How?
- 8) What do you think about the nemesis?
- 9) What direction/s do you see Africa going in?
- 10) What direction should be avoided?
